#### DIRECTIONS

For cuts, scratches, insect stings, bites, abscesses, boils wash with 5% solution (10 mL Dettol to 200 mL water). Use dry, not wet, dressings. Do not use undiluted Dettol on skin.

For routine external antisepsis in obstetrics -- use 2.5% solution (25 mL Dettol to 1 litre water).

For general disinfection of beds, sinks, toilet seats, floors, walls and other hard surfaces - use 2.5% solution (30 mL Dettol to 1200 mL water).

For laundry of linens, soaking diapers, etc. -- use 2.5% solution (30 mL Dettol to 1200 mL water).

PRECAUTION: For external use only. Harmful if swallowed.

FIRST AID TREATMENT:

Contains Pine Oil. If swallowed, give one glass of milk or water. Seek medical aid or contact Poison Control Centre.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
