LONDON, ONT. N6A 4Y2

DIRECTIONS: Sprinkle freely between layers of garments in clothes chests, and closets. Use 200 g or more for every cubic metre of space.

Paradichlorobenzene crystals will not provide moth protection in closets or chests in every day use. Protection can be assured only when chest or closet is made vapor tight by sealing all openings and cracks with tape for at least four (4) days. Clean and brush garments before storing.

May be harmful if swallowed. KEEP OUT OF REACH OF CHILDREN. If swallowed give water and induce vomiting. For eye contamination flush with running water. In case of accident, get medical attention.

Odor leaves quickly when articles are aired.

Made in Canada.
