S.C. JOHNSON AND SON, LIMITED
Brantford, Ont.
N3T 5R1

Kills on contact and provides residual killing action for up to 2 weeks. FOR USE ON CRAWLING INSECTS such as ants, cockroaches, earwigs, fleas, spiders, centipedes, bedbugs, silverfish and crickets.

DIRECTIONS:

Shake well before using. Hold container about 30 cm from surface being sprayed and spray until wet. Keep children and pets away from treated surfaces until dry. For spot treatment spray outside and inside house wherever crawling insects may enter or hide, such as door sills, baseboards, window frames, cracks and crevices in floors and walls, surfaces around pipes, behind and beneath cabinets, refrigerators, sinks, stoves etc. Do not use in food storage areas or on surfaces that may contact food. Spray ant trails and hills. Repeat as necessary. For carpet beetles, treat underside of carpets, floors, baseboards, cracks, crevices, closets, and infested areas of shelving. Repeat treatment as necessary. DO NOT USE ON RUBBER-BACKED CARPETS.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Wash hands after use. Do not use as a space spray. Do not use on humans, pets or foodstuffs. Do not contaminate food, utensils, food preparation surfaces, or fish bowls. Do not place container in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50'C. Keep away from open flame or spark.

FIRST AID: Contains Petroleum Distillate. If on skin, wash thoroughly with soap and water. If in eyes, flush with water. If swallowed, do not induce vomiting. Call physician or Poison Control Centre immediately.

DISPOSAL: When empty, press button to release pressure, dispose of in household garbage.

Questions? Comments? Call 800-558-5566 weekdays 9-9 Eastern Time or write Helen Johnson.
