For use as a residual surface or crack and crevice treatment to control insects listed on front panel.

INDOOR USE: Thoroughly treat cracks and crevices and spots along baseboards, underneath furniture and equipment, around garbage containers, localized areas of floors and floor coverings and other places where insect habitat. For ants, spray trails and places where ants enter premises such as window and door sills.

OUTDOOR USE: Spot Treatment. Spray outside surfaces of screens, doors, window frames, foundations, patios, light fixtures and other places where insects may alight, or congregate and enter. For ants, spray hills and runways.

DIRECTIONS: Hold container approximately 30 cm from surface being sprayed and spray until wet. Thorough applications produce a coating which will vapourize into cracks and crevices for insect control. If reinfestations occur, repeat applications as necessary. Provide adequate ventilation after indoor use. KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. In dwellings, remove or cover exposed foods, cooking utensils and food preparation surfaces to avoid contamination. Not to be used in food storage, handling or packaging areas. Contents under pressure. Do not place in hot water or near radiators, stove or other sources of heat, or store at temperatures over 50 deg C. Do not spray near open flame or spark. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash hands after using. DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOOD STUFF, FOOD UTENSILS, FISHBOWLS OR ANIMAL FEED AREA. DO NOT USE AS A SPACE SPRAY.

FIRST AID TREATMENT: Contains volatile petroleum distillate. If swallowed, do not induce vomiting. Call physician immediately. Propoxur is a cholinesterase inhibitor. Atropine is antidotal. In case of contact with the skin, wash with soap and water. If in eyes, flush with water 15 minutes and get medical attention.

DISPOSAL: When container is empty, press button to release all pressure, then dispose in household garbage. Do not puncture or incinerate.
