DANGER

EXTREMELY FLAMMABLE  
EXPLOSIVE

GREENLEAF GARDEN SUPPLIES  
BOX 82338,  
BURNABY, B.C. V5C 5P8

THIS CONTAINER FEATURES A LONG REACHING "PENCIL STREAM" PRESSURIZED SPRAY. DO NOT POINT TOWARDS PEOPLE, PETS, FOODS, FEEDS OR PLANTS. SPRAY INTO CRACKS AND CREVICES, BEHIND HARD TO MOVE OBJECTS, AND OTHER INSECT HIDING PLACES. DRIED SPRAY DEPOSITIS WILL CONTROL INSECTS UP TO 8 WEEKS. REPEAT AS NECESSARY.

HORNET & WASP CONTROL: Best results are obtained when applications are made in the early morning or in the evening when the pests are inside or congregating around the nest. Aim directly into nest opening or apply around areas where the insects gain entrance. Apply until surface is wet.

Hornets and wasps are aggressive insects, especially when disturbed. Spray them when they are at rest or when direct hits are assured. Do not attempt to spray hornets or wasps on the wing.

ANT CONTROL: Spray hills and runways.

OUTDOOR USES: To control Clovermites, Crickets, Earwigs, Fleas, Flies, Gnats, Millipedes, Mosquitoes, Sowbugs, Brown dog ticks - spray infested areas thoroughly including outdoor screens, doors, window frames, foundations, patios, or other places where insects may enter.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN OR PETS.

DANGER - EXTREMELY FLAMMABLE. Do not use in the presence of an open flame or spark. Never set container on a stove or radiator, nor place it where the temperature will exceed 50 deg. C. Do not puncture or throw the container into fire. May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing the spray mist. Avoid contact with skin, eyes or clothing. Wash with soap and warm water after handling.

TOXICOLOGICAL INFORMATION: Contains petroleum distillate as a solvent. Atropine Sulphate is antidotal.

FIRST AID: If ingested, do not induce vomiting. If misuse results in illness, get prompt medical aid.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
