DIRECTIONS FOR USE:

DORMANT SPRAYING

Mix 160 mL Dormant Oil in 10 litres of water or 1 litre in 65 litres of water to control Scale insects, Pear Psylla, Red Spider Mites and Mealybugs on dormant shrubs, Evergreens (note caution) Woody Plants, Fruit Trees and Shade Trees. As a combination with Lime Sulphur solution, Dormant Spray Only, mix 75 mL Dormant Oil with 230 mL Lime Sulphur Solution in 10 litres water or 400 mL Dormant Oil with 1

litre Lime Sulphur in 50 litres of water.

GROWING SEASON SPRAYING

Mix 75 mL in 10 litres of water or 400 mL in 50 litres of water to control insects as mentioned above under Dormant Spraying. Do not apply to Camellias and Azaleas during bloom. Dormant Oil-Spray is effective as a Dormant Clean-up and Growing Season spray. For greater effectiveness as a dormant spray only, use in combination with Greenleaf Lime Sulphur Solution.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. May be harmful or fatal if swallowed. Some Evergreens and deciduous trees are susceptible to injury from Dormant Oil under certain conditions, and when combined with other chemicals. Do not use on Evergreens such as Blue Spruce, White Pine or Junipers. Do not use on deciduous trees such as Japanese Maple, Walnut, or Beech. The user is advised to consult a compatibility chart. Keep from freezing and away from open flame and fire.

FIRST AID: IF SWALLOWED, do NOT induce vomiting. Contains petroleum oils. Contact a doctor or poison control centre at once. If patient is unconscious give him air. IF IN EYES, flush with water for 15 minutes and get medical attention. IF ON SKIN, wash with soap and water.

STORAGE: Keep product in original container. Store in a cool, dry place away from food.

DISPOSAL: Do not re-use empty container. Rinse thoroughly and use rinse-water with regular spray. Wrap container and discard in household garbage.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
