SHAKE WELL BEFORE USING

REG. NO. 21670 P.C.P. ACT

READ LABEL BEFORE USING

KEEP OUT OF REACH OF CHILDREN

PRESSURIZED

CAUTION EXPLOSIVE

JANSSEN
19 Greenbelt Drive
North York, Ontario
M3C 1L9

DIRECTIONS: SHAKE CAN WELL BEFORE USING. Hold can about 2 cm above pet's back and spray the foam from the pet's head to tail. Do not spray face, eyes or genitals. Rub the foam thoroughly into the pet's coat in an amount which moistens, but does not soak the entire haircoat. For effective flea and tick control, treatment of the pet should be combined with the sanitation of any area used by the pet. Vacuum floors, carpets, and furniture (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas. If pest problems persist, an insecticidal premise treatment may be required. Do not treat pets more than once a week. Consult a veterinarian before using on pregnant animals, sick animals, or animals under drug or other

pesticide treatment. Do not use on nursing animals or animals under 8 weeks of age. Discontinue use if adverse effects are observed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50'C. Do not spray in eyes, or face, or on genitals of pet. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Avoid inhalation of spray. Avoid skin contact by wearing rubber gloves. Wash hands after use.

DISPOSAL: When container is empty, press valve to release pressure. Dispose of empty container in regular household garbage.

Do not puncture or incinerate.

FIRST AID: If sprayed in your eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention or call poison control centre at once. If on skin, wash thoroughly with soap and water.
