DIRECTIONS FOR USE:

GENERAL: For use as crack and crevice treatment or spot treatment only. Spray surface until wet. Do not spray people, plants or pets. Do not allow children or pets to contact treated surfaces until surfaces are completely dry.

INDOOR USE: ARRELLE SUPER BUG KILLER kills ants, cockroaches, crickets, silverfish, spiders, saw-toothed grain beetles (exposed stage). Spray into cracks and crevices and around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves and in and around waste containers. Repeat in 7 to 10 days or as needed. Do not

contaminate food stuff or house plants. Avoid contamination of food, cooking utensils and food preparation areas. Do not use where food is prepared, handled or stored. Avoid excessive wetting of plastic, rubber and asphalt surfaces such as tiles and floor coverings.

OUTDOOR USE: Arrelle SUPER BUG KILLER kills ants, spiders, clover mites, crickets, earwigs, fleas, millipedes, sow bugs, brown dog ticks. Spray infested areas including outside surfaces of screens, doors, window frames, foundations, patios or other places where insects may enter. For ants, spray hills and runways, trails and places where ants enter premises. Repeat as necessary. Do not spray vegetation.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. FLAMMABLE. Do not use near open flame. Do not smoke while using. Do not spray towards eyes. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with skin, eyes or clothing. Avoid breathing of spray mist and use with adequate ventilation. Do not use as a space spray. Remove pets and cover fish bowls before spraying.

FIRST AID: If on skin, wash with soap and warm water. If in eyes, rinse eyes with plenty of water. If irritation persists, consult a physician. If ingested do not induce vomiting (contains petroleum distillates) but contact a physician or a poison control centre immediately.

TOXICOLOGICAL INFORMATION:

Contains propoxur - a carbamate cholinesterase inhibitor. Atropine sulphate is antidotal. Use oxygen therapy and treat symptomatically for poisoning.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

DISPOSAL: Do not reuse container. Wrap and discard in household garbage.
