ALBERTA AEROSOL GILLEX
NATURAL PROPELLENT INC.
P.O. BOX 333, STATION R, TORONTO, ON M4G 4C3

DIRECTION FOR USE: For use as crack and crevice treatment or
spot treatment to control insects mentioned on the front panel.
Shake well before using. Hold container approximately 30 cm from
surface being sprayed and spray until wet. Thorough applications
product a coating which will vaporize into cracks and crevices
for insect control. If reinfestation occurs, repeat applications
as necessary. Provide adequate ventilation after indoor use.
KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.

INDOOR USE: Thoroughly treat cracks, crevices, baseboards,
underneath furniture and equipment, around garbage containers,

localized areas of floors and floor coverings and other places where insects are seen. For ticks and fleas, treat sleeping quarters of pets and floor coverings (rugs and carpets). REMOVE PETS AND ANIMALS BEFORE SPRAYING AND KEEP THEM AWAY FROM SPRAYED AREAS UNTIL DRY. Replace bedding in animals' quarters after treatment.

DO NOT TREAT ANIMALS WITH THIS PRODUCT. Do not use in areas where food is prepared, handled or stored.

OUTDOOR USE: Spray outside surfaces of screens, doors, window frames, foundations, patios, light fixtures and other places where insects may alight, or congregate and enter. Wasp and hornet nests: Releases a fine spray that allows treatment of nests from one meter away. Treat at night or late evening when insects are inside the nest. Apply spray with 2-3 seconds burst directly into the nest opening so that the liquid contacts the inside of the nest. If unable to spray directly into the nest, a heavy residual spray around and into the opening where insects gain entrance will eventually eliminate the pests. Repeat as necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. FLAMMABLE. Avoid contact with eyes, skin or clothing. Contents under pressure. Do not place container in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate. Do not expose to temperatures over 50 deg C. Do not use near open flame or spark. Do not smoke while using. Do not spray towards eyes. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin or clothing. Avoid breathing of spray mist and use with adequate ventilation. Do not use as a space spray. Remove pets and cover fish bowls before spraying.

FIRST AID: In on skin, wash with soap and water. If in eyes, rinse with plenty of water. If irritation persists, consult a physician immediately. Propoxur is a mild cholinesterase inhibitor. Atropine is antidotal.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product in that condition.

DISPOSAL: When container is empty, press button to release all pressure, then dispose in household garbage. Do not puncture or incinerate.

OZONE FRIENDLY
NO CFC'S
