PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS. Do not allow others such as children and pets on treatment area during application or to re-enter treated areas until spray has dried. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash hands after using. Avoid contaminating feed or foodstuffs. Wash treated foods before eating. Toxic to bees; avoid spraying during bloom. Do not contaminate any body of water containing fish. This product contains a petroleum distillate which is toxic to aquatic organisms. Avoid contamination of aquatic systems during application. Do not contaminate these systems through direct application, disposal of waste or cleaning of equipment.

FIRST AID:

If swallowed, DO NOT induce vomiting as the product contains a petroleum distillate. If conscious, give large amounts of fluids. Call a physician or Poison Control Centre immediately. If in eyes, flush with large amounts of water. Call a physician or Poison Control Centre immediately. If on skin, wash off with soap and water. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Malathion is an organophosphorous insecticide and as such is a cholinesterase inhibitor. Atropine is the antidote.

DISPOSAL:

Do not re-use empty container. Dispose of empty container in garbage.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

Scotts No-Quibble Guarantee®

If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us proof of purchase and we will mail you a refund cheque promptly.
