NOX-ALL PRODUCTS LTD.

P.O. BOX 33882 VANCOUVER, B.C. V6J 4L6

CAUTION POISON

DIRECTIONS:

FOR USE

Scatter the bait thinly over the entire yard. Special attention should be given to baiting along board fences, around trees, telephone poles, wood piles and other places where earwigs are known to harbor. Do not sprinkle the lawn until bait has been out at least two nights. Use the entire box at one application. Destroy container when empty.

PRECAUTION:

Call Doctor in case of accident. Do not swallow. KEEP OUT OF

REACH OF CHILDREN...Wash hands thoroughly after using. Do not contaminate food, dishes or drinking water.

WARNING - Spread bait evenly, thinly and carefully. Do not leave bait where it can be eaten by domestic animals.

FIRST AID:

Give an emetic to cause the patient to vomit, followed by lime-water, milk of magnesia or 1% solution of calciumchloride. If these are not available, hydrated lime in water or even ground wall plaster may be given.
