Nufarm UK Limited.

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT. Read Technical Bulletin for formulation details.

PRECAUTIONS:

Harmful if swallowed. May cause skin and eye irritation. Avoid contact with skin, eyes and clothing. Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

FIRST AID PROCEDURES:

If swallowed, induce vomiting. Take patient to nearest hospital or contact a poison control centre.

In case of skin contact, remove contaminated clothing and wash skin thoroughly with soap and water.

If in eyes, flush with plenty of water for 15 minutes and get medical attention or contact a poison control centre.

DISPOSAL:

Canadian formulators of this technical should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills contact the Provincial Regulatory Agency or the Manufacturer.

SPILLAGE CLEAN-UP:

Keep bystanders away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator, coveralls, rubber boots and protective gloves), and absorb the liquid onto soil, sawdust or other suitable absorbant material and shovel into a drum. Add broken packages to the drum and seal for removal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer

assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
