A Product of Johnson's Wax Research®

® Can. Trade Mark Reg'd to  
S. C. Johnson & Son, Inc. Reg'd user  
S. C. JOHNSON AND SON, LIMITED  
Brantford, Ont., Canada N3T 5R1

**Kills with residual action.**

**Keeps on killing even weeks after it dries.**

**Use in homes, cottages, cabins, trailers, tents, attics,  
basements, garbage cans.**

**DIRECTIONS:** Point valve opening towards surface to be sprayed and press button. Hold container about 30 cm from surface being sprayed and spray until wet.

**FOR CRAWLING INSECTS** such as ants, cockroaches, earwigs, fleas, spiders, centipedes, bedbugs, silverfish and crickets: spray, outside and inside house wherever crawling insects may enter or hide, such as door sills, baseboards, window frames, cracks and crevices in floors and walls, surfaces around pipes, behind and beneath cabinets, refrigerators, sinks, stoves, etc. Spray ant trails and hills. Repeat as necessary. For carpet beetles: treat underside of carpets, floors, baseboards, cracks, crevices, closets, and infested areas of shelving. Repeat treatment as necessary.

DO NOT USE ON RUBBER BACKED CARPETS.

**FOR FLIES, MOSQUITOES AND OTHER FLYING INSECTS:** for use outdoors only. Spray outside surface of screens, doors, window frames. Also treat surfaces around light fixtures and other spots where these insects alight or congregate.

**PRECAUTION: KEEP OUT OF REACH OF CHILDREN.** Do not use as a space spray. In case of contact with the skin, wash with soap and water. Do not use on plants. Do not use on humans, pets or foodstuffs, food utensils or fish bowls. Care should be taken in disposing of empty containers. Spray harmful or fatal if inhaled. **CONTENTS UNDER PRESSURE.** Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50°C. Keep away from open flame or spark. Dispose of empty container in garbage.

**FIRST AID INSTRUCTIONS.** Contains Petroleum Distillate. If swallowed, do not induce vomiting. Call physician immediately.
