MADE IN CANADA

DESCRIPTION

MX-1250 detergent/disinfectant has been designed specifically for hospitals, schools, public buildings, food processing plants and other institutions where cleanliness is very important.

DISPOSAL

1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.

2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

#### DIRECTION FOR USE

To disinfect hard non porous surfaces such as floors, walls or tables, apply a solution of 20 mL MX-1250 per 5 L of water with cloth or a mop. Let it stand for 10 minutes and let it dry in open air area. Surfaces in contact with foods have to be rinsed with potable water. Precleaning is recommended for heavily soiled surfaces. Prepare a new solution for each use.

#### DILUTION RATE

- To sanitize 15 mL/10 L.
- To control mold and odors: 20 mL/5 L.
- General and hospitals disinfection: 20 mL/5 L.

To sanitize previously cleaned, non porous surfaces, apply a solution of 15 mL MX-1250 per 10 L water. To sanitize immobile items such as tables, walls, counters, apply the MX-1250 solution 15 mL/10 L with a rag or a sponge. Let it work for 60 seconds and let it dry. Prepare a new solution for each use. To sanitize utensils or mobile items, immerse the items in the MX-1250 solution (200 ppm: 15 mL/10 L) for at least 60 seconds. Remove the items and let it dry.

#### PRECAUTIONARY STATEMENTS

Keep out of reach of children. Causes eye and skin irritation. Avoid contact, with eyes and skin. Harmful if swallowed.

#### FIRST AID

In case of contact, rinse thoroughly with water. For the eyes, call a physician. If swallowed, call a physician or a poison control centre immediately.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
