DIRECTIONS: SHAKE WELL BEFORE USING. Hold can upright while spraying. Flying insects: Flies, Mosquitoes, Gnats, and Flying Moths. Close doors and windows. Apply a 6-10 second burst per 30 m3 of space. Direct mist upwards in sweeping motion to all parts of the room, especially windows and other light sources.

Also direct mist into areas where insects are present. Keep spray at least 1 m from interior walls, fabrics and furniture. Whenever possible, keep doors and windows closed for 15 minutes after each treatment. Ensure proper ventilation after sealed areas have been treated and clean up dead insects. Crawling insects: Cockroaches, spiders, crickets, ants, carpet beetles, centipedes, and silverfish. Spray hiding places such as base boards, moist areas, openings around sinks, drains and pipes, behind cabinets and storage areas. Spray ant trails, around door slits, window frames, or in ant nests. Insects must be hit with spray to be killed.

Bed Bugs: Spray mattress, particularly around seams and tufts. Take beds apart, spray all joints. Repeat as required. Fleas: Spray sleeping quarters of pets.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50°C. Do not spray into or near an open flame. Do not remain in treated areas. Do not spray directly on food or utensils. Remove fish and bird cages before spraying. Avoid contact with skin, eyes, clothing and inhalation of spray mist. Wash hands after using. In Food Processing plants and Food Service Establishments, apply only when the plant is NOT in operation. Remove all food before treatment. Cover all food processing surfaces and thoroughly clean with potable water before resuming operation. Do not use in nurseries or rooms where infants, ill or aged persons are confined. Dispose of container in regular garbage.

FIRST AID: If on eyes or skin, flush with water. If irritation persists, obtain medical attention.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
