WHITE ROSE NURSERIES INC.
UNIONVILLE, ONTARIO L3R 2L5

DIRECTIONS FOR USE: Kills Fungus gnats (larvae), Springtails. Apply to flower pots and container grown plants. Cover the soil surface with dust and work into the soil to a depth of 3 to 6 cm. Water plants thoroughly after use. Repeat treatment as necessary.

Also useful for controlling the following insects inside dwellings: ants, cockroaches, crickets, fleas, earwigs, silverfish, spiders. Apply to infested areas such as cracks and crevices, spaces around water pipes, surfaces behind and beneath cabinets, refrigerators, sinks, stoves and similar areas where insects may hide. Repeat as necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid inhaling, swallowing and contact with skin and eyes. Do not contaminate food, food containers or cooking utensils. Do not apply to animals. Wash thoroughly after use.

FIRST AID: If swallowed, cause vomiting and call a doctor. If in eyes, flush with plenty of water and get medical attention. If on skin, wash thoroughly with soap and water.

TOXICOLOGY: Diazinon is a Cholinesterase inhibitor. Atropine is antidotal. Use 1-2 mg every 15-30 minutes if necessary.

DISPOSAL: Discard empty container with household garbage.
