Flea and Tick Shampoo effectively kills dog and cat fleas, American dog and brown dog ticks on dogs and cats while providing a clean and lustrous coat.

Directions for use:

1. To use, wet dog or cat's coat thoroughly with water.
2. Pour shampoo into hand or onto the animal and work

thoroughly into the coat starting with the head. Avoid the animal's eyes and mouth.

3. Work backwards until entire the coat is completely covered with foamy lather. Pay special attention to neck and hindquarters. Do not treat scrotum of pet. Allow lather to penetrate the fur for 5 minutes.
4. Rinse animal's coat completely to remove shampoo and towel dry.

#### Precautions:

KEEP OUT OF REACH CHILDREN. Harmful if swallowed. Avoid contact with eyes. Avoid contact with animal's eyes and mouth. Do not use on nursing females. Do not use on puppies or kittens under 8 weeks of age. Do not use on sick animals or animals under drug or pesticide treatment. Before using on pregnant animals consult a veterinarian.

#### First Aid:

If swallowed: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Contact a physician or Poison Control Center immediately.

If in eyes: Immediately flush with plenty of water. Contact a physician if irritation persists.

#### Storage and Disposal:

Store in a cool, dry place. Keep container closed. DO NOT REUSE CONTAINER. Wrap and dispose of empty container in household garbage.
