**FORWARD®
Cleaner / Disinfectant**

Johnson's FORWARD Cleaner/Disinfectant is effective on floors, walls, ceilings, equipment - any hard, non-porous surface. Suitable for use in Hospitals and Food Plants when rinsed with potable water.

**HOW TO USE FORWARD CLEANER/DISINFECTANT
(Use only with Solutions Center Dispensing Equipment)**

This 1.89L Solutions Center® cartridge will make 37L of ready-to-use product (1:20 dilution) when dispensed from a Solutions Center brand dispenser. Refer to the Solutions Center user manual for further

directions on dispensing solutions center products.

At this dilution, FORWARD is an effective germicide and disinfectant... contains 762 PPM of a potent quaternary germicide which is effective against a wide spectrum of micro-organisms. This formulation has passed the A.O.A.C. Use-Dilution Tests for germicides against Staphylococcus aureus (Micrococcus pyogenes or "Golden Staph") and Salmonella choleraesuis. Apply with mop or coarse (trigger) spray, to thoroughly wet surface for 10 minutes.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

DISPOSAL: 1. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning. 2. Dispose of the container in accordance with provincial requirements. 3. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environment Canada. 4. For small spills: Recover all free liquid. Soak up residue with absorbent solids. DO NOT FLUSH INTO SURFACE STREAMS.

DO NOT STORE IN FOOD PROCESSING AREAS OR FOOD STORAGE AREAS.
