## ULTRA CLOROX BLEACH

### **DIRECTIONS FOR USE**

To be used in the manufacture of antimicrobial products that are registered under the Pest Control Products Act. Registrants are responsible for their own registrations.

### **PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. CORROSIVE.**

May cause severe irritation or damage to eyes and skin. Harmful if swallowed. Dangerous fumes form when mixed with acids or ammonia-containing products. Do not get in eyes, on skin, or on clothing. Protect eyes when handling. Wear nitrile, neoprene, or butyl rubber gloves when handling product for prolonged periods. Do not breathe fumes. Use only in well-ventilated areas.

**FIRST AID: IF IN EYES** - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **IF ON SKIN OR CLOTHING** - Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **IF SWALLOWED** - Call a poison control centre or doctor IMMEDIATELY for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate the use of gastric lavage.

**STORAGE:** Store this product in a cool, dry area, away from direct sunlight and heat to avoid deterioration.

**DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of the product.
