JONNY CAT
Premium Cat Litter
...And a little privacy is all any cat needs!

JONNY CAT WITH GREEN GUARD Premium Cat Litter

100% NATURAL clay from special deposits makes JONNY CAT super absorbent. JONNY CAT absorbs up to its own weight in liquids, to effectively absorb odours. JONNY CAT is sanitized, safe and 99% dust-free. GREEN GUARD is a special blend of all-natural oils derived from plants and trees. It controls odours and releases a fresh, mild fragrance on contact with liquid waste. Only JONNY CAT contains GREEN GUARD an all-natural odour control.

DIRECTIONS FOR USE:

1. FILL: Fill litter box with 3 inches (8 cm) of JONNY CAT. Do not mix with other litters.
2. CLEAN: Remove solid waste daily and dispose with regular garbage. DO NOT FLUSH!
3. STIR: For longer lasting litter, stir litter daily to allow granules to dry.

PRECAUTIONS: Pregnant or nursing women and people with a suppressed immune system should note that a parasite found in cat feces can cause toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. For further information, consult your local public health office.

WARNING: Do not flush waste down the toilet or any other waste system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.

Try JONNY CAT Drawstring Litter Box Liners! The only liner with a drawstring to make litter box changing quick and easy!

DISPOSAL: Dispose of used or unused product with household garbage.

Contents: Natural Earth Product, store in dry place.
