SHAKE WELL BEFORE USE AND OCCASIONALLY WHILE USING

APPLICATION INFORMATION:

3M Pet Spray may be applied directly on dogs and cats for treatment and control of cat fleas, dog fleas, American dog ticks and brown ticks.

Use areas: Residences, kennels.

DIRECTIONS FOR USE

1. For best results, before spraying, bathe and shampoo the pet with an insecticidal shampoo recommended by your veterinarian.

2. Rub off excess water with a towel. Your pet does not have to be thoroughly dried.
3. Adjust sprayer on the bottle of 3M Pet Spray to deliver a coarse spray. Hold sprayer within a few inches of the haircoat. Start by spraying your pet's head (avoiding contact with the eyes and mouth) and work your way back to the hind quarters. Spray under the haircoat by backcombing against the direction of hair growth with your other hand. It is important to wet the entire haircoat and exposed skin thoroughly to assure adequate coverage.
4. Be sure to apply 3M Pet Spray between the toes and foot pads and any other areas where fleas may hide to avoid contact with the insecticide.
5. Allow your pet to dry. Do not dry as this will remove many of the 3M Pet Spray microcapsules. A blow dryer works well to shorten the drying time. The microcapsules in 3M Pet Spray adhere to the haircoat and continuously release their active ingredients, thereby maintaining at least eight days residual activity.
6. If required, reapply 3M Pet Spray weekly. In addition to treating your pet directly, control of fleas in your pet's environment is important if you wish to eliminate fleas from your home. Ask your veterinarian about "Duratrol" Household Flea Spray (No. 1488) to help eliminate adult fleas and flea larvae from your home. When used as directed, "Duratrol" Household Flea Spray provides up to 90 days of flea control.

#### LIMITATIONS:

Do not apply to nursing females or to puppies or kittens under 8 weeks of age. Do not use on sick animals or animals under drug or pesticide treatment. Consult a veterinarian before use on pregnant animals.

#### PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN.

Avoid contact with eyes. Avoid breathing spray mist. Keep container closed when not in use. Cover or remove fish bowls and aquaria. Do not contaminate food, utensils or feed or water. Wash hands after spraying and before eating or smoking. Do not use in nurseries or rooms where infants, ill or aged persons are confined. This product may produce a hazard to pollinating insects.

FIRST AID:

IN CASE OF CONTACT WITH EYES, IMMEDIATELY FLUSH WITH PLENTY OF WATER. IF IRRITATION PERSISTS, GET MEDICAL ATTENTION. IF ON SKIN, WASH WITH SOAP AND WATER. IF SWALLOWED, SEE PHYSICIAN.

CAUTION: CONTAINS A PETROLEUM DISTILLATE. IF SWALLOWED, DO NOT INDUCE VOMITING. SEE PHYSICIAN.

Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Do not reuse container. Wrap empty container in newspaper and dispose in household garbage. Do not store below 0 deg C. If exposed to temperatures below 0 deg C, thaw completely and mix well before using.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes all risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
