REG. NO. 17152 PCP ACT

LEMOINE TROPICA CANADA INC.  
16829 boul. Hymus, Kirkland, Que.,  
Canada H9H 3L4

Tropi Guard II can be used on most common house plants to control Aphids, White flies, Thrips and Leaf hoppers.

**DIRECTIONS:**

Shake well. Holding container 30 to 35 cm from plant, depress pump in firm short bursts to cover one section of plant after another until whole plant has been treated. Pay special attention to the underside of leaves. Avoid spraying excessively, to the point of dripping, but spray to wetness. Repeat treatment after 5-7 days as necessary. Use with caution on young plants and new growth. Do not use on maiden hair ferns. Insects must be contacted by spray to be killed.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.**

Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist. Wash hands after use. Do not contaminate food,

feed, cooking utensils or water supplies. Cover fish aquariums when spraying plants. Discard empty container with household refuse. Do not re-use.

FIRST AID: If in eyes or on skin, flush with water. If irritation persists obtain medical attention. If accidentally swallowed, obtain medical attention at once.
