20 LITRES 200 LITRES

KERT CHEMICAL INDUSTRIES INC.,
TORONTO ONTARIO M9L 1M8

Also contains Octylphenoxy polyethoxy ethanol

Formulated for safety with a neutral pH for use on hard surfaces
where high standards of cleanliness, control of odours and the
prevention of pathogenic bacteria transmittal are required.

Ideal for floors, wall, washroom fixtures, desks, furniture, countertops, telephones etc. in hospitals, nursing homes, office buildings, schools, food plants and industry.

USE DIRECTIONS

For wet or damp mopping and for spray-on/wipe-off applications, dilute 4 mL. of ASSURE 131 per litre of water. In case of extreme soil loads, double the amount and/or repeat application.

DIFFICULT ODOUR PROBLEMS

Regular use of ASSURE is the best way to prevent odours. For emergency odour control, however, the ASSURE S.O.S. (Special Odour Solution) dispenser instantly neutralizes odours when used as directed by your KERT representative.

PRECAUTIONS: If used on food contact surfaces, rinse thoroughly with potable water...avoid contamination of food.

Do not take internally...avoid contact with eyes.

FIRST AID: If splashed in eyes, flush thoroughly with water for at least 15 minutes and obtain medical attention promptly. If swallowed, drink milk, egg whites, gelatin solution, or, if there are not available, large quantities of water. Call a physician immediately.

TOXICOLOGY: Probably mucosal damage may contraindicate the use of gastric lavage. Measure against circulatory shock, respiratory depression and convulsion may be needed.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
