Solignum Inc.  
Toronto, Ont. M9L 1S4  
Laval, Qué. H7S 1P1

STRONG PROTECTION

PREZERV PLUS soaks deep into wood to protect against rot caused by mould, fungus, mildew and many wood-boring insects.

For exterior use, above or below ground.

Coloured to match pressure-treated wood, Prezerv Plus is ideal

for use on end cuts of treated lumber. Can be stained or painted: darker shades recommended.

#### DIRECTIONS FOR USE

Wood should be clean and dry, free of paint, varnish, grease or oil. Do not dilute. Apply by brush or dip 2 to 4 mins. per cm of thickness (6 to 12 mins. for dressed lumber). Second coat may be applied for high decay hazard: allow 8 hours between coats.

Approx. coverage: 4 sq. m (43 sq. ft.) per litre.

#### PRECAUTION

- \* Do not apply to wood or fabrics where prolonged skin contact may occur.
- \* Do not apply where the preservative may become a component of food, feed or drinking water.

Harmful if swallowed or inhaled. Wear gloves. Use under well-ventilated conditions. Harmful to plant life when wet.

Keep away from open flame or spark

#### FIRST AID INSTRUCTIONS

Contains petroleum distillate. If swallowed, do not induce vomiting. Call physician immediately. If patient is unconscious, give him/her air. Spatters on the skin should be removed promptly by washing with clean water: contact physician.

#### TOXICOLOGY:

Contains petroleum distillates and copper naphthenate.

Guarantee limited to replacement of product.
