WIN CHEMICALS & EQUIPMENT LIMITED
1275 EGLINTON AVENUE EAST, UNIT 61
MISSISSAUGA, ONTARIO
L4W 2Z2

DIRECTIONS: SHAKE WELL BEFORE USING. Hold can upright while spraying.

TO KILL INDOOR HOUSE PESTS:

"FLYING INSECTS": Flies, Mosquitoes, Gnats and Flying Moths.

Close doors and windows. Direct mist upwards in sweeping motion to all parts of the room especially windows and other light sources. Apply 6 to 10 seconds burst per 30 cubic metres of space. Whenever possible, keep doors and windows closed for 15 minutes after each treatment. Also direct mist into areas where insects are present. Keep spray at least 1 metre from interior wall, fabrics and furniture. Ventilate well after use.

"CRAWLING INSECTS": Cockroaches, spiders, crickets, ants, carpet beetles, centipedes and silverfish.

Spray hiding places such as base boards, moist areas, openings around sinks, drains and pipes, behind cabinets and storage areas. Spray ant trails, around door sills, window frames, and ant nests. Insects must be hit to be killed.

"BED BUGS": Spray mattress, particularly around seams and tufts. Take beds apart, spray all joints. Repeat as required.

"FLEAS": Spray sleeping quarters of pets. Change bedding if necessary.

PRECAUTION:

Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container, or store at temperatures over 50 deg C. Cover fish bowls and remove or cover all exposed foods and cooking utensils before spraying. Avoid contact with skin, eyes, and clothing. Avoid inhalation of spray. Wash after using. Keep from freezing. Wrap empty container and dispose of in regular garbage.

FIRST AID:

Avoid inhalation or exposure of concentrate to eyes. In case of contact, flush with water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.
