CAUTION EXPLOSIVE

Sun Gro Horticulture Canada Ltd.
600 - 25 Watline Avenue
Mississauga, Ontario
L4Z 2Z1

For use as a spot or crack and crevice treatment to control
insects listed on front panel.

GENERAL DIRECTIONS:

Hold container approximately 30 cm from surface being sprayed and spray until wet. Thorough applications produce a coating which will vapourize into cracks and crevices for insect control. If reinfestation occurs, repeat applications as necessary. Use as a surface spray. Provide adequate ventilation after indoor use. KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.

INDOOR USE: Thoroughly treat cracks, crevices and spots along and behind baseboards, underneath furniture and equipment, around garbage containers, localized areas of floors and floor coverings and other places where insects hide or are seen.

OUTDOOR USE: Spray spots on outside surfaces of screen frames, doors, window frames, foundations, patios, light fixtures and other places where insects may alight, or congregate and enter. Cluster flies and houseflies will be killed when they land on treated surfaces.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin or clothing. DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOOD STUFF, FOOD UTENSILS, FISHBOWLS OR ANIMAL FEED AREAS. DO NOT USE AS A SPACE SPRAY. Do not use in areas where food is handled, prepared or stored. May cause skin and/or eye irritation. Product is very toxic to fish. Do not contaminate water by improper use or disposal. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50°C.

FIRST AID:

Contains volatile petroleum distillate. If swallowed, do not induce vomiting. Call physician immediately. In case of contact with the skin, wash with soap and water. If in eyes, flush with water 15 minutes; get medical attention. If irritation develops or persists, contact physician.

DISPOSAL:

When container is empty, press button to release all pressure then dispose of in household garbage. Do not puncture or incinerate.
