Keep Out of Reach of Children

DANGER! CORROSIVE

- CAUSES EYE BURNS AND SEVERE SKIN IRRITATION.
- HARMFUL OR FATAL IF SWALLOWED.
- HARMFUL IF INHALED.
- MAY CAUSE ALLERGIC SKIN REACTION.

- DO NOT GET IN EYES, ON SKIN, OR ON CLOTHING.
- AVOID BREATHING DUST.
- WEAR APPROPRIATE PROTECTIVE CLOTHING AND DEVICES WHEN HANDLING.
- USE WITH ADEQUATE VENTILATION.
- KEEP CONTAINER CLOSED.
- WASH THOROUGHLY AFTER HANDLING.
- AVOID CONTAMINATION OF FOOD.

FIRST AID: In case of contact, immediately flush eyes and skin with large amounts of water for at least 15 minutes. Remove contaminated clothing and shoes. For eyes, hold eyelids apart during the flushing to ensure rinsing of the entire surface of the eye and lids with water. Get medical attention immediately. Wash clothing before reuse.

If swallowed, DO NOT induce vomiting. Immediately give several glasses of water. If vomiting does occur, give fluids again. Do not give anything by mouth to an unconscious or convulsing person. Call a physician or a Poison Control Centre immediately.

If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention immediately.

TOXICOLOGICAL INFORMATION: There is no specific antidote. Probable mucosal damage may contraindicate use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed. See Material Safety Data Sheet for further information.

ENVIRONMENTAL HAZARD: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, or public waters. Do not discharge into sewer systems without previously notifying the sewage treatment plant authority. Open dumping is prohibited.

DIRECTIONS FOR USE: This product is to be used only in the manufacture of a microbicide which is registered under the PEST CONTROL PRODUCTS ACT.

STORAGE: Container should be stored in a cool, dry, well-ventilated area. Keep container tightly closed when not in use. Store away from flammable materials, sources of heat and flame, foodstuffs, and animal feed. The product can be stored at temperatures between -45'C and +70'C. Exercise due caution to prevent damage to or leakage from the container. Do not reuse empty container.

DISPOSAL:

- 1) Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
- 2) FIBER DRUM WITH LINER: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by provincial authorities. Do not reuse fiber drum, and dispose of in the same manner.
- 3) For additional information on the disposal of unused or unwanted product and the cleanup of spills, please contact the regional office of Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
