G.H. Wood brand Moth Balls will kill all stages of clothes moth life when used as directed. Leaves no odour when articles treated are aired in the sunlight.

DIRECTIONS FOR USE

For best results, articles should be cleaned, brushed and aired before treatment or storage. Use moth balls at the rate of 400 grams to approximately .025 cubic metres of tightly enclosed space.

Liberally distribute moth balls throughout the folds of the garments and around the sides of the container. To ensure complete killing of all clothes moth life, keep container tightly sealed at all times and for at least seven days after addition of moth balls. After removing articles from storage, brush thoroughly and hang out of doors in the sunlight. Not effective in closets of everyday use.

CAUTION: The physical form of this product represents an

attractive hazard to children. KEEP OUT OF REACH OF CHILDREN!
May be harmful if swallowed! If swallowed, give water, induce
vomiting. Get medical attention immediately! Do not store in
contact with infants' clothing or bedding.
