INSECTICIDE  
WILSON LABORATORIES INC.  
DUNDAS, ONTARIO  
L9H 3H3

DRIONE is a relatively odourless and non-staining insecticide powder that combines the flushing and killer powers of the organic insecticide pyrethrins with the dehydrative principle of silica aerogel. May be used in accordance with directions in homes, apartments, hotels, restaurants, stores, plants, warehouses, offices.

DIRECTIONS: Dust DRIONE powder at the rate of 60 g per 10 square metres of surface area. Apply a visible film under refrigerators, stoves and other appliances. Dust cracks, crevices where insects may hide, baseboards, moulding, shelving, pipe openings. Repeat as necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid inhaling the dust. Do not contaminate feed, food or drinking water.
