Niagara Falls, Ontario L2E 6T3

FIRST AID: If swallowed, give water and induce vomiting by inserting finger touching back of throat. Immediately contact Physician or Poison Control Centre. If eye contact occurs, flush eyes with plenty of water. Get medical attention if irritation persists. See back panel for further cautions.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing dust. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling and before eating, drinking or smoking. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

VICTOR

100% BORIC ACID ANT KILLING POWDER

DIRECTIONS: To control ants, cockroaches and silverfish: SHAKE WELL. TWIST CAP UNTIL FULLY OPEN. HOLDING BOTTLE AT 45 DEGREE ANGLE, POWDER SHOULD FLOW FREELY WHEN SQUEEZED. Apply only in areas inaccessible to children and pets. Cover or remove food, dishes and cooking utensils before applying. Avoid pantry shelves and other places where food is stored. For faster application, remove top. Use a spoon to distribute powder in hard to reach places. Apply liberally, scattering under and behind refrigerator, stove, sink, dishwasher, washing machine and dryer, tubs; into openings around drains, water pipes and electrical conduits; and in cracks and crevices along baseboards and corners of cabinets, cupboards and closets. Remove all lower drawers in kitchen and bathroom cabinets, bedroom dressers and closets of drawers, then scatter liberally in drawer walls. Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Do not contaminate food, dishes, utensils, feed or any body of water.

DISPOSAL: Do NOT reuse empty container. Wrap empty container and discard with household garbage.
