Use for empty garbage cans, storage areas, refuse containers,

toilet seats, sinks and basins, telephones and animal areas. Also useful for shower stalls and wall tile around bathtubs, night tables and countertops. Use on porcelain and painted surfaces, and all metallic surfaces except copper. Use caution on varnished or natural finished woods - do not overspray wood. Do not spray directly on clothing or rayon fabrics. To eliminate cooking, smoke, tobacco, bathroom and other unpleasant odours, spray centre of room for a few seconds.

**SURFACE DISINFECTANT AND AIR DEODORANT:** Disinfects and deodorizes surfaces through effective bacterial and fungal activity. KILLS STAPH AND STREP ORGANISMS, PSEUDOMONAS, AERUGINOSA TUBERCULE BACILLI, SALMONELLA CHOLERAESUIS AND TRICHOPHYTON INTERDIGITALE on hard surfaces and controls odours. KILLS INFLUENZA A2 VIRUS on environmental hard surfaces. KILLS HERPES SIMPLEX VIRUS TYPES I and II on hard, non-porous surfaces.

**DIRECTIONS FOR USE:** 1. Hold can as nearly upright as possible, approximately 15-20 cm from surface to be sprayed. 2. Spray until covered with a fine mist. For disinfection, spray, wait 10 minute and then wipe. Do not saturate. INHIBITS MOLD AND MILDEW ON HARD NON-POROUS SURFACES FOR ONE WEEK.

**FOR USE IN HOSPITALS AS HARD SURFACE SANITIZER:** Hold can as nearly upright as possible, approximately 15-20 cm from surface to be sprayed, spray until covered with fine mist. Wait 3 minutes and then wipe.

**PRECAUTIONS:** CONTENT UNDER PRESSURE. KEEP OUT OF REACH OF CHILDREN. Do not puncture container or store at temperature above 50'C. Do not incinerate or use in presence of open flame or spark. Do not place in hot water or near radiators and stoves or other sources of heat.

**FIRST AID:** If sprayed in eyes or skin, flush with water immediately. If irritation persists, GET MEDICAL ATTENTION.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions of this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
