KEMSAN INC.  
P.O. BOX 727  
OAKVILLE, ONTARIO  
L6J 5C1

This insecticide is designed for use in the automatic mister dispenser which releases 27.5 mg of K.O. formula every 7.5 minutes. The continuous use of this insecticide will reduce the flying insect populations (flies, mosquitoes, and gnats) within a few hours. One can protects a room of 170 m<sup>3</sup> for up to 30 days.

USE AREAS: Restaurants, food plants, hospitals, food service establishments, lodges, dairies, horse stables, cow barns, and poultry houses while they are in operation. Also for use in meat processing plants when not in operation. Use areas must have at least 170 m<sup>3</sup> of freeflow air space.

DIRECTIONS: Dispenser must be located 2-3 metres above floor at point where air circulation will carry particles through the area. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and snap into dispenser.

CAUTION: In meat and food processing plants, only apply when plant is not in operation. No exposed food products, ingredients, or packaging materials to be left in the room. Cover food handling equipment. Any treated surfaces that may contact meat food products or other food products should be washed and rinsed thoroughly with potable water after application and before re-use for food processing.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure: Container may explode if heated. Do not expose to temperatures above 50 'C. Do not puncture or incinerate. Do not contaminate food, feed, or water.

Do not spray over milk or milking equipment. Do not use in nurseries or where infants, ill or aged persons are confined. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. KEEP OUT OF REACH OF CHILDREN. Dispose of empty container in accordance with provincial requirements.

FIRST AID: In case of contact with eyes or skin, flush with water. If irritation persists seek medical attention. If accidentally swallowed seek medical attention at once.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
