Lot Number: [XXX]

Date of manufacture: [XXX]
Use within 3 months of the date of manufacture

DIRECTIONS FOR USE: To be used only in the manufacture of SPORODEX L Biological Fungicide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS: KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL. May cause sensitization. Avoid contact with skin and eyes and clothing. Avoid breathing mist. Wash thoroughly with soap and water after handling.

Workers and other handlers must wear appropriate personal protective equipment (PPE), including a long sleeved shirt and long pants, waterproof gloves and shoes plus socks as well as a dust/mist-filtering respirator (MSHA/NIOSH approval number prefix TC-21C) or a NIOSH approved respirator with any N-95, R-95 or P-95 or HE filter for biological products. Remove contaminated clothing and follow manufacturers directions for cleaning/maintaining PPE before reuse. If no such instructions are available use clothing detergent and hot water for cleaning all washable PPE. Keep and wash PPE separately from other laundry.

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

FIRST AID	
If on skin or clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15 - 20 minutes.• Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.• Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by the poison control center or doctor.• Do not give anything by mouth to an unconscious person.
Seek medical attention IMMEDIATELY if irritation occurs and persists or is severe. Have container, label or product name and product registration number with you when calling a poison control centre or doctor, or when seeking medical attention.	

TOXICOLOGICAL INFORMATION: No specific antidote is available. Treat the patient symptomatically.

STORAGE: Store in a secure dry place at –20C. Do not contaminate water, food or feed during storage.
