DIRECTIONS FOR USE

GENERAL INFORMATION: ZENOX Shampoo for dogs contains insecticides which kill fleas, ticks and lice while cleaning and lusterizing.

Directions: Wet coat and apply shampoo along the dog's back. Massage well into the coat. Avoid eyes. If lather accidentally gets in the eyes, quickly rinse with clean water. Leave lather on dog for 10 minutes to permit insecticide to work. Rinse thoroughly. For tick control, apply a small amount of ZENOX directly to ticks after final rinse.

Keep out of reach of children.

Contains Technical Piperonyl Butoxide and Pyrethrins

CODE 347290
