DIRECTIONS FOR USE

This intermediate contains no petroleum distillate, and is particularly suited for use in products in which petroleum distillates are detrimental.

This product may not be used to formulate products for the following uses: 1) food producing livestock - direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present, 2) growing crops - edible crops and pre- and postharvest sprays, 3) fumigated commodities and 4) aquatic uses.

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and carriers, and in the case of pressurized products, propellents, to produce an insecticide product.

Mix well in drum before sampling and each use.

KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL

PRECAUTIONS: Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food and feedstuffs. This product is toxic to fish. Do not apply directly to any body of water by cleaning of equipment or disposal of wastes. **FLAMMABLE.** Keep away from heat or open flame.

FIRST AID: In case of contact, immediately flush skin or eyes with plenty of water. If irritation develops or persists, seek medical attention. Wash contaminated clothing with warm water and soap before reuse. If swallowed, contact a physician or contact a Poison Control Centre immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

DECONTAMINATION & DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
