PEST CONTROL PRODUCTS ACT

NET CONTENTS: 25000 L

Safety-Kleen Oil Recovery Division
300 Woolwich Street South
Breslau, Ontario
NOB 1MO

DIRECTIONS FOR USE: To be used only in the manufacture of pesticide with non-food application or dormant spray oils which are registered under the PEST CONTROL PRODUCTS ACT. Read the Technical Bulletin for formulation details.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Keep material away from fire, open flame, and other sources of heat. Do not store material near oxidizers.

FIRST AID: Inhalation - Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Someone should stay with victim. Seek medical attention if breathing difficulty persists.

Eyes - For direct contact, immediately flush eyes with plenty of water, holding eyelids apart for 15 minutes. If irritation or redness from exposure to vapor or mist develops, move away from exposure into fresh air. Get medical attention if irritation or pain persists.

Skin - Remove contaminated clothing and shoes. Wash skin thoroughly with soap and water. Get medical attention if irritation or pain persist.

Ingestion - This product is a petroleum distillate. Immediately get medical attention. DO NOT induce vomiting. If spontaneous vomiting occurs, keep head below hips to avoid breathing material into lungs.

STORAGE: Keep container tightly closed when not in use or during transport. Store in a cool, dry place. Do not pressurize, cut, heat, weld, grind or expose containers to flame or other sources of ignition. Empty containers may have traces of product residue.

DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.
