READ THE LABEL BEFORE USING

300 g

Nu-Gro IP Inc.  
P.O. Box 1148,  
Woodstock, ON  
N4S 8P6

DIRECTIONS FOR USE: Apply powder by using handy squeeze bottle with the extension snorkle tube inserted into top opening. This allows the placement of TOMAHAWK Dust into cracks and crevices where insects hide. Apply small quantities directly into cracks and crevices behind stoves, cabinets, sinks, refrigerators, dishwashers, etc. Remove lower drawers from cabinets and treat drawer wells. Treat cracks along baseboards and in corners. Any powder visible after application should be brushed into cracks or

removed. Re-apply if reinfestation occurs.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin, clothing, and avoid inhalation. Wash thoroughly after handling and before eating, drinking, etc. Do not apply to plants, animals or humans. Remove pets and fishbowls from area before treatment and do not return them for at least 4 hours after treatment. Do not apply to surfaces that children or pets might contact. DO NOT CONTAMINATE FOODSTUFFS: Do not use in any area where food may be exposed. Do not use in cupboards where food or cooking utensils are stored. In homes or dwellings, remove or cover all exposed food and cooking utensils before using. Thoroughly wash all surfaces that might contact food before reuse.

FIRST AID: If swallowed, cause vomiting and obtain medical attention immediately, taking the pesticide container with you or call a poison control centre. If in eyes, flush with plenty of water and get medical attention.

TOXICOLOGICAL INFORMATION: Diazinon is a cholinesterase inhibitor. Atropine is antidotal.

DISPOSAL: Do not reuse empty container. Wrap empty container and discard in household garbage.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.
