NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

PRECAUTION: Surfaces that will come into direct contact with food must be rinsed thoroughly with potable water after using this product. Keep out of reach of children. Avoid contamination with food.

DIRECTIONS FOR USE: To clean, disinfect and deodorize floors, walls, fixtures and other hard surfaces, dilute SUPER GERMSOLVE 12 mL/L with water. For hospital areas a dilution of 25 mL/L is recommended.

FIRST AID: In case with skin and eyes wash thoroughly with water. If irritation persists get medical attention. If swallowed drink milk, egg whites, gelatin solution or if these are not available drink large quantities of water. Call a physician.
