Manufactured by:  
Elga Laboratories  
4480 Chesswood Dr. Unit #11  
Downsview, Ontario  
M3J 2B9  
TEL: (416) 638-9090

DIRECTIONS FOR USE:

GENERAL DISINFECTION For disinfecting floors, wells, countertops, tables, chairs, garbage pails, bathroom fixtures and other hard surfaces, add 4 mL of Liquid Disinfectant to 1 litre of water. Apply to previously cleaned hard surfaces with mop or cloth.

DISINFECTION OF BARBER TOOLS: Precleaned barber tools (such as combs, brushes, razors, and scissors) can be disinfected by

immersing in a 4.0 mL/L solution of Liquid Disinfectant. Fresh solution should be prepared daily or when the solution becomes visibly dirty.

**SANITATION OF HARD SURFACES AND EQUIPMENT:** Wash and rinse all articles thoroughly, then apply a solution of 2 mL liquid Disinfectant in 1 litre of water (150 ppm active). Surfaces should remain wet for at least 1 minute followed by adequate draining and air drying. Fresh solution should be prepared daily or when used solution becomes visibly dirty. Apply to sink tops, countertops, and display equipment and other stationary hard surfaces by cloth or brush. No potable water rinse is required.

**PRECAUTIONARY STATEMENTS:**

**KEEP OUT OF REACH OF CHILDREN** Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

**FIRST-AID:** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

**DISPOSAL:** Triple rinse the emptied container thoroughly and dispose of in regular garbage. For information on the disposal or unused, unwanted product contact the regional office of Environment Canada.
