COMBUSTIBLE LIQUID - KEEP AWAY FROM HEAT, SPARKS, AND OPEN FLAME.
Flashpoint: 77°C.

FIRST AID: Avoid contamination with food. If ingested, do not induce vomiting, but call a physician. Keep out of eyes. May cause eye damage. If eye contact occurs, flush with water immediately. Get medical attention. May cause skin irritation. Remove and wash contaminated clothing before reuse.

TOXICOLOGICAL INFORMATION: Measures against circulatory shock, respiratory depression and convulsion may be needed if emesis has not occurred.

DISPOSAL: Rinse empty containers thoroughly with soap and water before discarding. For bulk containers, flush thoroughly. Clean with soap and water before reuse. Canadian formulators of this product should dispose of unwanted material and containers in accordance with municipal and provincial regulations. For additional details and cleanup of spills, contact the regional office of the Environmental Protection Service.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

For additional technical information concerning use of properties of Yarmor 302W pine oil, see Hercules Bulletins OR-102C, OR-104C, OR-105C, T-103B, and Number 702-9
