PRECAUTIONARY STATEMENTS
For Formulation Purposes Only

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. DO NOT take internally. Avoid inhaling dust. Avoid contact with skin, eyes or clothing.

ENVIRONMENTAL HAZARDS:

This product is toxic to plant life. Use care in handling and formulating to avoid contact with desirable plant life. DO NOT contaminate irrigation ditches or water used for domestic purposes. Thoroughly clean equipment with a suitable chemical cleaner before using for other purposes.

STORAGE AND DISPOSAL

Storage DO NOT contaminate water, food or feed by storage or disposal.

Disposal Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

In case of spillage or broken container, sweep up chemical and put into a closed container, and if not used, dispose of material in an approved local procedures. Wash surfaces thoroughly with water. If any contaminated water enters streams, rivers or sewers, notify appropriate local disposal authorities. If spillage is on agricultural land, either remove top soil or allow to weather before planting as excessive amounts of 2,4-D in the soil may temporarily inhibit seed germination or plant growth. In case of large spills, contact manufacturer.

Dispose of container in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

WARRANTY NOTE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risks to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
