DIRECTIONS FOR USE: To control cockroaches, ants, silverfish, spiders, crickets, clover mites, grain and flour beetles or weevils. Adjust sprayer to deliver a coarse, wet spray. Apply into cracks and crevices, around appliances, behind shelves and drawers and other hiding places. In case of infested food in cabinets, dispose of the infested materials. Remove all contents and clean thoroughly. Spray interior surfaces of empty cabinets thoroughly. After spray has dried, cover shelves with paper or otherwise protect foods from direct contact with sprayed surfaces. Repeat treatment if reinfestation occurs. For ants, spray trails, nests and points of entry. All sprayed surfaces should be thoroughly wetted.

GARDEN PEST on FLOWERS and ORNAMENTALS: To control Aphids, flea beetles, leafhoppers, white flies, spider mites, rose chafers, tarnished plant bugs. Apply a fine mist spray to upper and lower leaf surfaces. Use with caution on young plants and new growth. Repeat treatments weekly or as needed.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid breathing spray mist. Avoid contact with skin, eyes, feed or food. Remove pets, birds and cover or remove aquariums, food and food utensils before spraying. Do not reuse container.

FIRST AID: If on skin, wash thoroughly with soap and water. If in eyes, flush with water. If irritation persists, obtain medical attention. If swallowed, obtain medical attention or call a Poison Control Centre immediately. Take container, label and Pest Control Product Registration Number with you when seeking medical attention.

DISPOSAL: Do not reuse empty container. Dispose of in household garbage.
