DIRECTIONS FOR USE

For use only in the manufacturing and formulation of products registered under the *Pest Control Products Act*.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL

Harmful if swallowed. Do not inhale vapors. May cause eye or skin irritation. Avoid contact with eyes, skin and clothing. Wear protective gloves when handling the concentrate.

Wash well after handling and before eating, drinking and/or smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.

FIRST AID

IF SWALLOWED, call a physician or contact a Poison Control Center IMMEDIATELY. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. DO NOT INDUCE VOMITING or give anything by mouth to an unconscious person.

IF ON SKIN, wash with plenty of soap and water. Get medical attention or contact a Poison Control Center if irritation persists.

IF IN EYES, flush eyes with plenty of water for at least 15 minutes. Call a physician or contact a Poison Control Center IMMEDIATELY if irritation persists.

IF INHALED, remove victim to fresh air. If not breathing give artificial respiration, preferably mouth-to-mouth. Get medical attention or contact a Poison Control Center IMMEDIATELY. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

WARNING SYMPTOMS: May cause irritation of nose, throat, eyes and skin. Treat as above for skin contact. Treat symptomatically.

Storage: Keep in original container during storage. Store product in cool, dry, well ventilated place away from feed, food, seed, fertilizer or other pesticides. Keep away from fire or open flame, or other sources of heat. Keep free of moisture in lightly sealed container. If allowed to become wet or overheated in storage chemical changes may occur which will impair fungicidal effectiveness, and may also generate flammable vapours.

Decontamination: For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with detergent solution.

Do not contaminate irrigation water, lakes, streams, or ponds by cleaning equipment or disposal of wastes.

If involved in fire, use water, fog, foam CO₂ or a dry chemical extinguishing medium. Noxious fumes may be produced under fire conditions, wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

Disposal:

Canadian formulators using this product should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details on cleanup of spills,

contact the Provincial Regulatory Agency or manufacturer.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that condition.
