Net Contents 25 Kgs.

Exposure to captan may produce long term health effects. To minimize exposure, follow directions outlined on this label.

DIRECTIONS FOR USE

To be used only in the manufacture of a fungicide which is registered under the Pest Control Products Act. Read the formulation manual for details.

CAUTIONS:

Keep out of reach of children. Causes irreversible eye damage. Harmful if swallowed or inhaled. May cause allergic skin reactions. Wear a respirator and goggles while mixing and loading. If an accident occurs remove contaminated clothing and wash skin thoroughly with soap and water. Wash clothing and gloves before re/use. Do not contaminate food or feed. Never handle material with bare hands. Use rubber gloves; do not use leather or cloth gloves. Avoid spilling on skin or clothing. Do not breathe dust. When handling, wear goggles and clothing that completely covers arms and legs to minimize exposure. Change contaminated clothing daily and wash thoroughly before re-use. Wash hands, face and arms thoroughly after handling captan and before drinking, eating or smoking. Shower after use. Always work out of the wind during mixing and loading operations. Keep unprotected persons out of operating area. Do not contaminate feeds or food, ponds, streams or other bodies of water.

FIRST AID

IF SWALLOWED, DO NOT make persons vomit. If person is conscious, give a large quantity of water or milk to drink and call a doctor or emergency hospital. IF ON SKIN, remove contaminated clothing and wash skin thoroughly with soap and water. IF IN EYES, flush with water for 5/10 minutes and obtain medical attention.

TOXICOLOGICAL INFORMATION

Note to Physicians: Emergency Information - call (510) 233-3737(24 hours a day).

STORAGE

Store in a cool dry place. Protect from Excessive Heat.

PRECAUTIONS

Environmental Impact: This pesticide is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of waste. Precautions if Material is Released or Spilled: Clean up spills immediately. Vacuum (preferred) or sweep up material and place in disposable container. Scrub contaminated area with detergent and water, picking up liquid with rags or absorbent material. Place in container for disposal. Repeat, if necessary. Disposal: Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the regional office of Conservation and Protection, Environment Canada.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
