REGISTRATION NO. 21887 P.C.P. ACT

NET CONTENTS: _____ grams

CAUTION

FLAMMABLE

CCL INDUSTRIES INC.
105 Gordon Baker Road
Willowdale, Ontario
M2H 3P8

DIRECTIONS:

Shake well before using. Wet animal's head with water to drive
pests onto the body. Remove cap. Hold container in upright
position 25 to 30 cm from pet and spray entire body beginning at
head and working towards the tail. Pay special attention to neck
and hindquarters. Do not spray face, eyes or scrotum. As you
spray, fluff the hair so that spray will penetrate to the skin,

but spray only until hair is damp - not wet. Apply as evenly as possible because fleas will migrate to untreated areas (e.g. toes, foot pads, around ears). Do not soak animals. Comb and brush into coat. Spray ticks directly. Also spray bed and living quarters if needed. Repeat as necessary. Do not use on nursing puppies or kittens under 8 weeks of age, or nursing females. Consult veterinarian before using on pregnant animals. Do not use on sick animals or animals under drug or other pesticide treatment.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Avoid inhalation of spray. Avoid skin contact by wearing rubber gloves. Wash hands after use.

DISPOSAL:

DO NOT RE-USE CONTAINER. Wrap and Dispose of empty container in regular household garbage.

FIRST AID:

If sprayed in eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once. If on skin, wash thoroughly with soap and water.
