Flying Insect Killer metered pressurized spray is designed for use in the Cam Spring Action Type Automatic Dispenser. The automatic dispenser releases a metered dose of 55 mg of insecticide every 15 minutes. Each can contains enough product to protect an area of at least 170 m3 of free flow air space, for up to 30 days.

DIRECTIONS: Remove protective cap from top of can and insert can into special automatic dispenser. Place dispenser 2-3 metres above the floor at a point where the airflow will carry the insecticide throughout the area. Do not install directly over food or food packaging surfaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Container may explode if heated. Do not expose to temperatures above 50'C. Do not spray near open flame or spark. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. Do not use in dwellings, schools or meat packing plants. DO NOT USE IN THE PRESENCE OF AN OPEN FLAME OR SPARK.

FIRST AID: In case of contact with eyes or skin, flush with water. If irritation persists, obtain medical attention. If accidentally swallowed, seek medical attention at once.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the clean-up of spills, contact the Provincial Regulatory Agency or the Manufacturer. Do not puncture or incinerate.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label
