Nufarm Agriculture Inc.
5507 1st Street S.E. Calgary, Alberta T2H 1H9 (403) 253-8471

24 HOUR EMERGENCY RESPONSE NUMBER 1-800-424-9300

NET CONTENTS: (50 to 18,000 (Bulk)) Litres

DIRECTIONS FOR USE: To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS. Harmful if swallowed. May cause skin irritation. Avoid contact with skin, eyes or clothing.

FIRST AID:

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

In in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product may cause severe irritation to the eyes. Overexposure to 2,4-D may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness or nausea. Treat symptomatically.

ENVIRONMENTAL HAZARDS:

DO NOT contaminate irrigation ditches or water used for domestic purposes.

DO NOT allow this solution to come in contact with crops, plants, shrubs, ornamentals or other desirable vegetation. Vapours from this product may injure 2,4-D susceptible plants in the immediate vicinity.

Thoroughly clean equipment with a suitable chemical cleaner before using for other purposes.

STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame or other sources of heat.

DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for information on the clean-up of spills.

In case of spillage or broken container, absorb the liquid onto soil, sawdust, or other absorbent material and put into a closed container, and if not used, dispose of material in an approved disposal site in accordance with approved local procedures. Wash surfaces thoroughly with water. If any contaminated water enters streams, rivers or sewers, notify appropriate local disposal authorities. If spillage is on agricultural land, either remove top soil or allow to weather before planting as excessive amounts of 2,4-D in the soil may temporarily inhibit seed germination or plant growth. In case of large spills, contact manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
