DIRECTIONS

COCKROACHES, ANTS, BOOKLICE, CRICKETS, EARWIGS, MILLIPEDES, SILVERFISH AND SPRINGTAILS IN BUILDINGS: Apply dust to infested places such as cracks and crevices, spaces around water pipes and tanks, surfaces behind and beneath cabinets, refrigerators, sinks, stoves and similar areas where insects hide. Repeat treatments as necessary.

NOTE: When used in dwellings, care should be taken to avoid deposits with which children could come in contact. Do not contaminate food, food containers or cooking utensils.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. May be fatal if swallowed. Do not get into eyes. Avoid contact with skin. Wash thoroughly after handling. Avoid contamination of food and feed. Use only as recommended on label. This product is toxic to fish and wildlife. Do not contaminate domestic or irrigation water supplies, lakes, streams and ponds.

FIRST AID: If swallowed induce vomiting and call a doctor or hospital and have this container or label with you. NEVER give

anything by mouth to an unconscious person. IF IN EYES, flush with water for 15 minutes, then get medical attention. IF ON SKIN, wash with plenty of soap and water.

TOXICOLOGICAL INFORMATION: Stomach lavage. Diazinon is a cholinesterase inhibitor. Antidote - atropine sulphate at 1-2 milligrams every 15 minutes may be necessary.

DISPOSAL: Empty contents thoroughly and make the bag unsuitable for further use. Dispose of bag in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Environmental Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITED WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to person or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
