3M Flea and Tick Shampoo controls the dog and cat flea, the American dog tick and the brown dog tick as well as cleaning and deodorizing the animal.

DIRECTIONS: Wet animal thoroughly. Apply shampoo, working lather thoroughly down to skin from head to tail. Pay special attention to neck and hindquarters. Do not treat eyes, face or scrotum of pet. Allow lather to remain for 5-10 minutes. Rinse well and dry. Repeat treatment as necessary.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not contaminate food or feed. Keep away from animal's eyes and mouth. Wash hands after use. Do not use on nursing females or animals under eight weeks of age. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. For use on pregnant animals, consult a veterinarian.

DISPOSAL: Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the

container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Conservation and Protection, Environment Canada.

FIRST AID: If in eyes or on skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a product under unsafe conditions.
