DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide, which is registered under the *Pest Control Products Act*.

Formulations made from this manufacturer's concentrate containing DICHLOBENIL may have different properties and uses. Manufacturers and formulators should develop their own use and precautionary labelling based on the intended uses and properties of their own finished formulations and in accordance with all pertinent laws and regulations.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL.

Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water used for irrigation or domestic purposes. Do not store near food or feed products. Do not store near fertilizers, seeds, insecticides or fungicides. Thoroughly clean equipment used with this product with a suitable chemical cleaner before use for other purposes.

FIRST AID:

In case of contact with eyes: wash with flowing water for at least 15 minutes and get medical attention or contact a poison control centre IMMEDIATELY.

In case of skin contact: wash with soap and plenty of water. Remove and wash contaminated clothing before re-use. Do not wear contaminated shoes.

Take container, label or product name and Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

Do not reuse empty containers until it has been professionally and thoroughly cleaned and reconditioned.

For spills (use appropriate safety equipment): Sweep up or shovel small spills into suitable containers for recovery or disposal. For large spills contact United Agri Products at: 519-268-8001 / 1-800-561-8273. Do not clean up with water.

Decontamination and Disposal:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the provincial regulatory agency or the Manufacturer.

If involved in fire use water fog, foam, CO₂ or dry chemical. If fighting fire, use pressure demand self-contained air supply. Noxious fumes may be produced under fire conditions.

STORAGE:

1. Keep in original container during storage.
2. Store product in cool, dry, well-ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
